# What We Do

AWZAR Group operates with success in different market sectors while ensuring the delivery of the best quality of services. The services of AWZAR Group include, but are not limited to, logistics, supply chain of materials and chemicals required by the oil and gas industry, and GPS/IVMS services with live tracking and real-time view and status of your assets. The services include rental and purchase of light and heavy vehicles as well as construction and warehouse equipment, electrical contracting for all industries, engineering and fabrication services, facility management services, construction of houses, roads, and multi-story buildings, and real estate services such as leasing, buying, and selling of properties.

## Mission

Our mission is to consistently deliver reliable and high-quality end-to-end services to all our clients, facilitating the success of their projects and the ease of their minds.

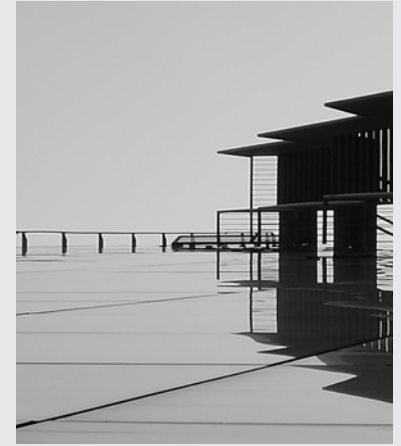

## Vision

To exceed our clients' expectations in quality, delivery, and cost of services through continuous innovation and improvement, and building value in our customer relationships.

# Values

## 1. **Quality Assurance**

AWZAR Group ensures the delivery of high-quality services anytime, anywhere, and to any customer, regardless of the size of the project.

## 2. **Customer Relationship**

Customers are our greatest priority - we aspire to build solid and meaningful relationships with our customers based on transparency, loyalty, and quality.

## 3. **Innovation**

Awzar Group promotes innovation by continuously enhancing existing services, introducing new ideas for its customers, utilizing trending technologies, and implementing optimal strategies to achieve its missions.

# Health, Safety, And Environment Policy

AWZAR is committed to its duties to comply with the Health, Safety, and Environment requirements by following local and international regulations and shall take the responsibility and practicable steps to eliminate Injuries, Occupational Illness, property damage, and environmental conservation.

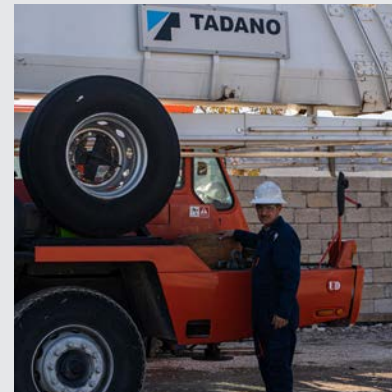

Health

Safety

Environment

# Logistics

AWZAR Group provides premium logistics services to its clients. Awzar Group has a team of more than 50 experienced and trained drivers to ensure the consistency, safety, and quality of our logistics services, which include, but are not limited to, local and cross-border trucking, ocean and air freight, storage, warehousing, distribution, and cargo transportation.

# HEAVY EQUIPMENT
